ROADSIDE ASSISTANCE FOR BREAKDOWNS & ACCIDENTS

Includes Home Breakdown and get-you-to-your destination service.

DASDrive Assistance Extra cover is a peace-of-mind package for drivers in Ireland. If something goes wrong with your vehicle, just one phone call to DAS means that help is on the way.

Unlike many other breakdown policies, this policy will cover whoever is driving the vehicle in the event of a breakdown or accident.

EUROPEAN COVER

Most vehicles today have complicated engine management systems. When they go wrong, specialist knowledge is needed to repair them. DIY roadside repairs are an option only for the simplest of breakdowns.

Motorway recovery rates and minimum charges by garages can be very costly. Just one call-out fee will far exceed your premium for DASDrive Assistance Extra cover. What's more, it can be very difficult to find a breakdown service when you need it most. In contrast, DAS operators are on standby 24 hours a day, 365 days a year, alerting mobile units within minutes of your call. With cover in place, there are no emergency call-out charges and the first hour's labour at the roadside is free.

ACCREDITED OPERATORS

All agents we use to provide service to you under this policy have been vetted for their professionalism and compliance with quality standards.

We provide extensive and rapid access to suitable repairers where necessary. We are not tied to any single company or organisation. This gives us greater flexibility at times of peak demand, such as bank holidays, to get help to you as quickly as at other times.

NO PROBLEM!

Although DAS cover is inexpensive, it is not restrictive. In addition to attending a breakdown or accident, we will help in many other ways.

Flat battery? We will jump-start your vehicle or charge the battery, as appropriate. **Puncture?** Call us to fit your serviceable spare.

The small print

Cars and car-derived vans are eligible for DASDrive Assistance Extra.
